

## **Privacy Policy**

iContribute is committed to protecting personal information by following responsible information-handling practices in line with privacy laws. iContribute uses modern information and communication technologies to support our activities. This policy (herein referred to as the "Privacy Policy") applies to the iContribute Mobile App, which is designed to connect youth with local engagement opportunities (herein referred to as "the Service").

If you choose to use the Service, then you agree to the collection and use of information in this Privacy Policy. The Personal Information collected is used for providing and improving the Service. The Service will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same definitions as our Terms and Conditions found below.

### **Information Collection and Use** (username, email, postal code)

For a better experience, our Service may require you to provide us with a username, email and postal code (herein referred to as "Personal Information"). The Service uses third-party services that may collect information used to identify you. The Service cannot be held liable for any damages or harm that may come to you if you choose to use this app. If a user decides to terminate their service, this service will take up to 48 hours to process. Thereafter, all user data will be erased and their account will be closed.

### **Confidentiality , Security , and User Privacy**

The Service team members who have access to personal data will respect the confidentiality of Personal Information. We value your trust in providing your Personal Information, thus we are striving to use commercially acceptable means of protecting it. Login information is encrypted on account creation and is guarded by Firebase providers. However, no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Information we obtain from your device include: i) data from device settings; and ii) information that you allow us to receive through device settings that you turn on (access to your GPS location, camera, or photo libraries). This information will only be used to better our services.

### **Information Sharing**

The Service team will not sell any information collected. Information that is collected will only be used to provide the Service. In the event that the Service is acquired, all collected information will be transferred to the acquirer.

## **Inappropriate Content and Abusive Users**

Within the iContribute platform, there is a no tolerance policy for objectionable content or abusive users. Objectionable content includes, but is not limited to: (i) sexually explicit materials; (ii) obscene, defamatory, libelous, slanderous, violent and/or unlawful content or profanity (iii) content that infringes on the rights of any third party, including copyright, trademark, privacy, publicity, or other personal or proprietary right. Any user can flag content that they deem objectionable for review. Content will be moderated by iContribute to ensure the timely removal of any or all objectionable content. Objectionable content will be removed within 24 hours of reporting and review. User accounts which have been confirmed responsible for posting objectionable content will be ejected and will not have access to the iContribute app.

## **Links to Other Sites**

This Service may contain links to external sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by the Service. Therefore, we strongly advise you to review the Privacy Policy of these websites. We do not control or assume responsibility of the content, Privacy Policies, or practices of any third-party sites or services.

## **Children's Privacy**

The Service is not meant for anyone under the age of 13. We do not knowingly collect personally identifiable information from children under the age of 13. In the case that we discover that a child under 13 has provided us with Personal Information, we will immediately delete this from our servers. If you are a parent or guardian who discovers that your child has provided us with their Personal Information, please contact the iContribute team so that we can take the necessary steps to remove the Personal Information.

## **Changes to This Privacy Policy**

iContribute may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify users of any changes by posting the latest Privacy Policy on this page.

This policy is effective as of 2020-07-23.

## **Contact Us**

If you have any questions or concerns about this Privacy Policy, please contact our team at: [icontribute.founder@gmail.com](mailto:icontribute.founder@gmail.com).

## **Terms & Conditions**

By downloading or using the Service, these terms will automatically apply to you. Please read them carefully before using the app.

You are not allowed to copy or modify the app, any part of the app, or our trademarks in any way. You are not allowed to attempt to extract the source code of the app, and you also should not translate the app into other languages or make derivative versions. The app and all trademarks, copyright, database rights, and other intellectual property rights related to it still belong to the Service.

The iContribute team is committed to ensuring that the app is as useful and efficient as possible. For that reason, we reserve the right to make changes to the app or to charge for its services. We will not charge you for the app or its services without making it very clear to you exactly what you're paying for. <sup>[NB1]</sup> We will not charge you without your consent.

The iContribute app stores and processes personal data that you have provided to us, in order to provide the <sup>[NB2]</sup> Service. It is your responsibility to keep your phone and access

to the app secure. We therefore recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the iContribute app won't work properly or at all.

The iContribute App uses third-party services that declare their own Terms and Conditions.

Link to Terms and Conditions of third-party service providers used by the app:

- Google Play Services
- Google Analytics for Firebase

iContribute will not take responsibility for **user-side** technical limitations. Certain functions of the app will require the app to have an active internet connection. The connection can be Wi-Fi, or provided by your mobile network provider, but iContribute cannot take responsibility for the app not working at full functionality if you don't have access to Wi-Fi or cellular data.

If you are using the app outside of an area with Wi-Fi, you should remember that your terms of the agreement with your mobile network provider will still apply when using cellular data. As a result, you may be charged by your mobile provider for the cost of data for the duration of your connection while accessing the app, or other third-party charges. In using the app, you are accepting responsibility for any such charges, including roaming data charges if you use the app outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you are using the app, please be aware that we assume that you have received permission from the bill payer for using the app.

When you are using the app, it is important to bear in mind that although we aim to ensure that information displayed on the app is updated and correct at all times, we do rely on third-parties to provide information to us so that we can make it available to you. iContribute accepts no liability for any direct or indirect loss that you experience as a result of relying on the functionality of the app.

We may periodically update the app. The app is currently available on Android & iOS; the requirements for both systems (and for any additional systems we decide to extend the availability of the app to) may change, and you will need to download the updates if you want to keep using the app. iContribute does not promise that it will always update the app so that it is relevant to you and/or works with the Android & iOS version that you have installed on your device. We may also wish to stop providing the app and may

terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination, (a) the rights and licenses granted to you in these terms will end; (b) you must stop using the app, and (if needed) delete it from your device.

### **Changes to This Terms and Conditions**

iContribute may update our Terms and Conditions from time to time. Thus, you are advised to review this page periodically for any changes. iContribute will notify you of any changes by posting the new Terms and Conditions on this page.

These terms and conditions are effective as of 2020-07-23

### **Contact Us**

If you have any questions or suggestions about these Terms and Conditions, please contact us at: [icontribute.founder@gmail.com](mailto:icontribute.founder@gmail.com).
